Creating with the Story Elements

Directions: Thinking about the story elements of character, setting, and plot in a novel is very important to understanding what is happening and why. Complete **one** of the following activities about what you’ve read so far. Be creative and have fun!

Characters

Draw the final scene in the book. Your image should show the Murry family reuniting as the Mrs Ws show up to take the children on another adventure.

Setting

Create a diagram that shows all of the planets visited in this novel. Draw lines to indicate the tesseract that were taken between the planets.

- Earth
- Uriel
- the 2D planet
- the Happy Medium’s planet
- Camazotz
- Ixchel

Plot

Draw a comic strip version of the climactic scene in which Meg takes on IT to save Charles Wallace. However, in this version, put yourself in Meg’s shoes. Through the comic strip, tell how your personality strengths might have been able to overcome IT and save Charles Wallace. Be creative. You can exaggerate your personal traits to make yourself more superhero like.
